| Important Questions | Answers | Why this Matters: |
|--|--|--|
| What is the overall deductible? | \$4,000 person / \$8,000 family In-network \$5,000 person / \$10,000 family Out-of-network \$4,000 In-network / \$5,000 Out-of-network Maximum amount that any one person will satisfy toward the annual family deductible | Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| Are there services covered before you meet your deductible? | Yes. <u>Preventive care</u> services are covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ |
| Are there other <u>deductibles</u> for specific services? | No. | You don't have to meet <u>deductibles</u> for specific services. |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | \$6,550 person / \$13,100 family In-network \$10,000 person / \$20,000 family Out-of-network \$6,550 In-network / \$10,000 Out-of-network Maximum amount that any one person will satisfy toward the annual family out-of-pocket | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the out-of-pocket limit? | Penalties, <u>premiums</u> , <u>balance billing</u> charges, and health care this <u>plan</u> doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> . |
| Will you pay less if you use a <u>network provider</u> ? | Yes. See www.umr.com or call 1-800-826-9781 for a list of network providers . | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No. | You can see the specialist you choose without a referral. |

All $\underline{copayment}$ and $\underline{coinsurance}$ costs shown in this chart are after your $\underline{deductible}$ has been met, if a $\underline{deductible}$ applies.
